

Notice of hearing

ENMAX Power Corporation has filed an application for the replacement of seven transmission line structures on Home Road N.W. in Calgary

Proceeding 23981
Application 23981-A001

The Alberta Utilities Commission (AUC), the independent utilities regulator, will be holding a hearing to review the application and submissions received to consider the electric transmission line alteration application in Proceeding 23981.

Written evidence is due June 17, 2019.

ENMAX Power Corporation has applied, under the *Hydro and Electric Energy Act*, to remove and replace seven steel-lattice transmission line structures along a one-kilometre segment of double-circuit Transmission Line 69-15.62L/21.61L. The structures would be replaced with self-supporting steel monopoles within the existing transmission line alignment. The new structures would be approximately five to 14 metres taller than the existing structures and range in height from 25 to 35 metres.

The transmission line structures are located on Home Road N.W. in Calgary between the ENMAX No. 15 Substation and 32 Avenue N.W., as shown on the attached map.

Additional information about the application

The application and any associated documents are publicly available and can be accessed from the eFiling System on the AUC website www.auc.ab.ca. Alternatively, for more information about what is being applied for, or for a copy of the application, please contact:

Submissions must include your name, address, phone number, legal land location, description of your land in relation to the proposed development and a description of your interest in the land, your business, or your activities which may be affected by the proposed project. Please also briefly describe the issues you would like the AUC to consider when making its decision.

Privacy

To support an open and transparent process, information you send to the AUC will be publicly available to anyone registered in this proceeding. If there is confidential information you would like to file, a request must be made in advance of filing your submission.

Participating in the hearing

If you intend to present written evidence at the hearing, you must be present at the commencement of the hearing and submit written evidence by June 17, 2019.

Your written evidence should include a statement about your intended level of participation. Please include whether you or your representative will:

- File supporting evidence.
- Attend the hearing.
- Cross-examine any of the applicant’s witness panels.

Written evidence can be reports prepared by experts or written information (including maps, charts, photographs and narrative statements) prepared by an intervener personally, and clearly identified as such. Any report that was prepared by an expert, and which is being filed in support of an intervener’s position, must clearly state the qualifications of the expert and the name of the intervener who directed that the report was to be prepared. Please be aware that the author of any

report or other written evidence that an intervener expects the Commission to rely upon must be available to be cross-examined at the hearing.
